 - (i) does not specify the way the proxy is to vote on this Resolution; and

How to vote

Shareholders can vote by either:

- attending the Meeting and voting in person or by attorney or, in the case of corporate Shareholders, by appointing a corporate representative to attend and vote; or
- appointing a proxy to attend and vote on their behalf using the Proxy Form accompanying this Notice of Meeting and by submitting their proxy appointment and voting instructions in person, electronically, by post or by facsimile.

Voting in person (or by attorney)

Shareholders, or their attorneys, who plan to attend the Meeting are asked to arrive at the venue 15 minutes prior to the time designated for the Meeting, if possible, so that their holding may be checked against the Company's share register and attendance recorded. A properly executed original (or certified copy) of the power of attorney under which an attorney has been authorised to attend and vote at the Meeting must be lodged with the Company's share registry before 10am (AWST) on Wednesday 11 November 2020 (48 hours before the commencement of the Meeting). If facsimile transmission is used, the power of attorney must be certified.

Voting by a Corporation

A Shareholder that is a corporation may appoint an individual to act as its representative and vote in person at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Meeting evidence of his or her appointment, including any authority under which it is signed unless previously given to the Company's share registry.

Voting by proxy

- A Shareholder entitled to attend and vote is entitled to appoint not more than two proxies. Each proxy will have the right to vote on a poll and also to speak at the Meeting.
- The appointment of the proxy may specify the proportion or the number of votes that the proxy may exercise. Where more than one proxy is appointed and the appointment does not specify the proportion or number of the Shareholder's votes each proxy may exercise, the votes will be divided equally among the proxies (i.e. where there are two proxies, each proxy may exercise half of the votes).
- A proxy need not be a Shareholder.
- The proxy can be either an individual or a body corporate.

- If a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit.
- Should any resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.
- If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.
- Shareholders who return their Proxy Forms with a direction how to vote but do not nominate the identity of their proxy will be taken to have appointed the Chairman of the Meeting as their proxy to vote on their behalf. If a Proxy Form is returned but the nominated proxy does not attend the Meeting, the Chairman of the Meeting will act in the place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chairman of the Meeting, the secretary or any Director, that do not contain a direction how to vote will be used where possible to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as proxy under the voting exclusion rules which apply to some of the proposed Resolutions. However, in exceptional circumstances, the Chair of the Meeting may change his or her voting intention, in which case an ASX announcement will be made. These rules are explained in this Notice.
- To be effective, proxies must be received by 10am (AWST) on Wednesday 11 November 2020. Proxies received after this time will be invalid.

EXPLANATORY MEMORANDUM

INTRODUCTION

This Explanatory Memorandum has been prepared for the information of the Shareholders of DiscovEx Resources Limited (**Company**), in connection with the business to be conducted at the Annual General Meeting of the Company to be held on Friday, 13 November 2020 at 10am (AWST) at PKF Boardroom, Level 5, 35 Havelock Street, West Perth, Western Australia.

Certain abbreviations and other defined terms are used throughout this Explanatory Memorandum. Defined terms are generally identifiable by the use of an upper case first letter. Shareholders are specifically referred to the Glossary in this Explanatory Memorandum which contains definitions of capitalised terms used in the Notice of Meeting and this Explanatory Memorandum.

1. FINANCIAL REPORTS

The first item of the Notice deals with the presentation of the consolidated annual financial report of the Company for the financial year ended 30 June 2020 together with the Directors' declaration and report in relation to that financial year and the Auditor's Report on those financial statements. Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

No Resolution is required to be moved in respect of this item.

Shareholders will be given a reasonable opportunity at the Meeting to ask questions and make comments on the accounts and on the business, operations and management of the Company.

The Chairman will also provide Shareholders a reasonable opportunity to ask the Auditor or the Auditor's representative questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of the accounts; and
- the independence of the Auditor in relation to the conduct of the audit.

The Chairman will also allow a reasonable opportunity for the Auditor or their representative to answer any written questions submitted to the Auditor under section 250PA of the Corporations Act.

2. RESOLUTION 1 – NON-BINDING RESOLUTION TO ADOPT REMUNERATION REPORT

In accordance with section 250R(2) of the Corporations Act the Company is required to put to its Shareholders a resolution that the Remuneration Report as disclosed in the Company's 2020 Annual Report be adopted. The Remuneration Report is set out in the Company's 2020 Annual Report and is also available on the Company's website (www.discovexresources.com.au).

The vote on this Resolution 1 is advisory only and does not bind the Directors or the Company.

However, if at least 25% of the votes cast are against adoption of the remuneration report at two consecutive annual general meetings, the Company will be required to put a resolution to the second annual general meeting (**Spill Resolution**), to approve calling a general meeting (**Spill Meeting**). If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must then convene a Spill Meeting within 90 days of the second annual general meeting. All of the Directors who were in office when the applicable Directors' report was approved, other than the Managing Director, will need to stand for re-election at the Spill Meeting if they wish to continue as Directors.

The remuneration report for the year ended 30 June 2019 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on 14 November 2019. Accordingly, if at least 25% of the votes cast on Resolution 1 are against adoption of the Remuneration Report, it will not result in the Company putting a Spill Resolution to Shareholders.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and sets out the details of any equity based compensation.

The Chair of the Meeting will give Shareholders a reasonable opportunity to ask questions about, or make comments on the Remuneration Report.

Voting

Note that a voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to exercise your proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the Resolution. In exceptional circumstances, the Chair of the Meeting may change his or her voting intention on Resolution 1, in which case an ASX announcement will be made.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – DAVID MORGAN

Clause 13.2 of the Constitution provides that at each annual general meeting of the Company, one third of the Directors (other than alternate Directors and the Managing Director) for the time being, or, if their

number is not a multiple of 3, then such number as is appropriate to ensure that no Director other than alternate Directors and the Managing Director holds office for more than 3 years, shall retire from office. The Directors to retire are those who have been in office the longest since their last election, but, as between Directors who become Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots. A retiring Director is eligible for re-election.

Mr Morgan was last elected as a Director at the Company's 2015 annual general meeting held on 26 November 2015, and is the Director who has been in office the longest since his last election. Pursuant to clause 13.2 of the Constitution, Mr Morgan, being a Director, has agreed to retire by rotation and, being eligible, offers himself for re-election as a Director.

Mr Morgan is a mining engineer and mechanical engineer with 35 years' experience in the mining industry in Australia and Africa. He has previously held a number of executive development and mine operations roles involving project engineering, maintenance and contract earthmoving for companies such as Rio Tinto, Macmahon and WMC Resources. He was General Manager Operations for Equigold in Queensland where he was responsible for the building, commissioning and management of the Mt Rawdon Gold Mine. He was General Manager Mining and Metallurgy for Sundance Resources' Mbalam Iron Ore Project in Cameroon where he oversaw the completion of a PFS on a \$3.3 billion Direct Shipping Ore and Itabirite project for that company, including the delivery of 10 years of JORC compliant, high grade Ore Reserves and the establishment of project metallurgical and processing parameters.

Mr Morgan is a Member of the Institution of Engineers Australia (MIEAust), a Fellow of the Australasian Institute of Mining and Metallurgy (FAusIMM) and holds a Graduate Membership of the Australian institute of Company Directors (GAICD).

Mr Morgan was Managing Director of the Company from 26 April 2018 until 1 December 2019.

Mr Morgan is not considered to be an independent Director of the Company as he is a former Managing Director and has received performance-based remuneration.

The members of the Board (other than Mr Morgan) have reviewed Mr Morgan's performance since his appointment to the Board and considers that Mr Morgan's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Morgan and recommends that Shareholders vote in favour of Resolution 2.

4 RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 – General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 3 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 3 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 3 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 - Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 3:

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 4.3(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards exploration and evaluation of the Newington Gold Project near Southern Cross in WA, the Edjudina Gold Project near Laverton in WA, ongoing targeting and evaluation of new exploration and growth opportunities in the WA gold sector, general working capital and administrative expenses.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 3 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 14 October 2020.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Variable A	Number of Shares issued and funds raised under the 10% Placement Capacity and dilution effect	Dilution		
		\$0.0035 Issue Price at half the current market price	\$0.007 Issue Price at current market price	\$0.014 Issue Price at double the current market price
Current Variable A 1,196,164,076 Shares	Shares issued	119,616,407	119,616,407	119,616,407
	Funds raised	\$418,657	\$837,314	\$1,674,629
	Dilution effect	10%	10%	10%
50% increase in current Variable A 1,794,246,114 Shares	Shares issued	179,424,611	179,424,611	179,424,611
	Funds raised	\$627,986	\$1,255,972	\$2,511,944
	Dilution effect	10%	10%	10%
100% increase in current Variable A 2,392,328,152 Shares	Shares issued	239,232,815	239,232,815	239,232,815
	Funds raised	\$837,314	\$1,674,629	\$3,349,259
	Dilution effect	10%	10%	10%

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

Note this table assumes:

- (i) *There are currently 1,196,164,076 Shares on issue.*
- (ii) *The issue price set out above is the closing market price of the Shares on the ASX on 14 October 2020 (i.e \$0.007)*
- (iii) *The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.*
- (iv) *The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.*
- (v) *The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.*
- (vi) *The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.*
- (vii) *This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.*
- (viii) *The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.*
- (ix) *The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.*

Shareholders should note that there is a risk that:

- (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (a) the purpose of the issue;
- (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (c) the effect of the issue of the Equity Securities on the control of the Company;
- (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (e) prevailing market conditions; and
- (f) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained Shareholder approval under Listing Rule 7.1A on 14 November 2019 at its 2019 annual general meeting (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 13 November 2019, the Company issued 174,754,673 Shares pursuant to the Previous Approval (**Previous Issue**), which represent approximately 21.5% of the total diluted number of Equity Securities on issue in the Company on 13 November 2019, which was 813,032,138.

Further details of the issues of Equity Securities by the Company pursuant to Listing Rule 7.1A.2 during the 12 month period preceding the date of the Meeting are set out in Schedule A.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 4 – APPROVAL OF EMPLOYEE EQUITY INCENTIVE PLAN

5.1 - Background

The Directors consider it desirable to have an employee incentive scheme pursuant to which Directors, employees and certain consultants may be offered the opportunity to be granted share options in order to increase the range of potential incentives available to them and to strengthen links between the Company and its employees, Directors and key consultants. Accordingly, the Directors have resolved to re-adopt the Employee Equity Incentive Plan that is consistent with ASIC Class Order CO 14/1000.

The Employee Equity Incentive Plan is designed to provide incentives to Eligible Employees and to recognise their contribution to the Company's success. Under the Company's current circumstances, the Directors consider that the issue of Shares, Options and Performance Rights (**Plan Securities**) to Eligible Employees is a cost effective and efficient means for the Company to provide incentive to these individuals, as opposed to alternative forms of incentives such as cash bonuses or increased remuneration.

Resolution 4 seeks Shareholder approval for the adoption of the Employee Equity Incentive Plan and for the issue of Plan Securities under the Employee Equity Incentive Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to

shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 4 is passed, the Company will be able to issue Plan Securities under the Employee Equity Incentive Plan to eligible participants over a period of 3 years. The issue of any Equity Securities to eligible participants under the Employee Equity Incentive Plan (up to the maximum number of Plan Securities stated in Section 5.2(c) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Plan Securities under the Employee Equity Incentive Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 4 is not passed, the Company will be able to proceed with the issue of Plan Securities under the Employee Equity Incentive Plan to eligible participants, but any issues of Plan Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Plan Securities.

5.2 Technical information required by Listing Rule 7.2 (Exception 13)

SCHEDULE B

Summary of the Employee Equity Incentive Plan

1 Awards

Under the Plan, Participants (as defined below) will be granted incentive awards (**Awards**) which may comprise:

- (a) shares, issued at a price (if any) determined by the Board in their sole and absolute discretion, subject to any vesting conditions (**Shares**); and/or
- (b) options, issued at a price (if any) determined by the Board in their sole and absolute discretion, each to subscribe for one Share on payment of an exercise price (if any) determined by the Board in their sole and absolute discretion, and subject to any vesting conditions (**Options**); and/or
- (c) performance rights, issued at a price (if any) determined by the Board in their sole and absolute discretion, each being a conditional right to subscribe for one Share on payment of an exercise price (if any) determined by the Board in their sole and absolute discretion, and subject to the satisfaction of any vesting conditions (**Performance Rights**).

2 Eligibility

At the discretion of the Board, a person who is:

- (a) a full time or part time employee or non-executive director of the Company or an associated body corporate (being a body corporate that is a related body corporate of the body, a body corporate that has voting power in the body of not less than 20% or a body corporate in which the body has voting power of not less than 20%) (**Group Company**);
- (b) an individual who is or might reasonably be expected to be engaged to work the number of hours that are the pro rata equivalent of 40% or more of a comparable full time position with a Group Company; or
- (c) an individual or company with whom a Group Company has entered into a contract for the provision of services under which the individual or a director or their spouse performs work for a Group Company where the individual who performs the work under or in relation to the contract is, or might reasonably be expected to be, engaged to work the number of hours that are the pro-rata equivalent of 40% or more of a comparable full-time position with a Group Company,

is permitted to participate in the Plan.

People eligible to participate in the Plan are called "**Eligible Employees**". The Board may permit an Award the subject of an offer to be issued to another party nominated by an Eligible Employee (for example, the Eligible Employee's (a) immediate family member; (b) a corporate trustee of a self-managed superannuation fund (within the meaning of the Superannuation Industry (Supervision) Act 1993) where the Eligible Employee is a director of the trustee; or (c) a company whose members are no-one other than the Eligible Employee or their immediate family members) (**Nominated Party**).

A "**Participant**" is an Eligible Employee or Nominated Party to whom an Award has been granted.

3 Payment for Awards

Awards can be issued at a price (if any) determined by the Board in their sole and absolute discretion.

4 Limits on number of Awards granted

Under the Plan rules, where an offer is made under the Plan in reliance on ASIC Class Order 14/1000 (or any amendment or replacement of it) the Board must, at the time of making the offer, have reasonable grounds to believe that the total number of Shares (or, in respect of Options or Performance Rights, the total number of Shares which would be issued if those Options or Performance Rights were exercised) will not exceed 5% of the total number of Shares on issue when aggregated with the number of Shares issued or that may be issued as a result of offers made at any time during the previous 3 year period under the Plan or any other employee incentive scheme covered by the Class Order or an ASIC exempt arrangement of a similar kind to an employee incentive scheme.

This limit is in accordance with the current ASIC Class Order which provides disclosure, licensing, advertising and hawking relief for employee incentive schemes, and which the Company may seek to rely on in connection with making offers under the Plan.

5 Entitlements of Participants

(a) Notice of meeting

Unless otherwise resolved by the Board when it makes an offer, and subject to the terms of issue, a Participant is entitled to notice of a meeting of the Shareholders of the Company and may exercise (whether in person or by proxy) any voting rights attaching to any Shares registered in the Participant's name which were the subject of the offer.

(b) Dividends

The Board may determine, at the time of an offer of Shares, whether the Participant is entitled to receive any dividends declared or paid by the Company on unvested Shares (including whether any such dividends are to be held in escrow until the Shares are fully vested).

Participants who hold Options or Performance Rights are not entitled to receive any dividends declared by the Company. No adjustment will be made to the number of Performance Rights or Options granted to a Participant under the Plan if dividends or other distributions are paid on the Shares prior to their vesting or exercise.

(c) Changes in capital

Unless otherwise resolved by the Board when it makes an offer, a Participant who holds Shares has the same entitlement as any other Shareholder to participate in a bonus issue or rights offer, provided that if the Shares are unvested and/or have any restrictions on sale imposed on them, any Shares issued to a Participant under the bonus issue or rights offer will be subject to the Plan as if those shares were Shares issued under the offer made to the Participant.

Options or Performance Rights do not confer on the Participant the right to participate in new issues of Shares by the Company.

In the event of a capital reconstruction, subject to any provision in the Listing Rules, the Board may adjust any or all of the number of Shares issued pursuant to the offer to a Participant as the Board deems appropriate. If there is a reorganisation of capital, the rights of a Participant will be changed to the extent necessary to comply with the Listing Rules.

If the Company makes a pro rata issue (except a bonus issue) of Shares to Shareholders the exercise price of Options and Performance Rights will be reduced in accordance with the Listing Rules.

If the Company makes a bonus issue of Shares to Shareholders the number of underlying Shares over which the Option or Performance Right is exercisable will be increased by the number of Shares that would have been received if the relevant Option or Performance Right had been exercised before the record date for the bonus issue. No adjustment will be made to the exercise price.

If a resolution for a voluntary winding up is proposed, the Board may give notice to Participants providing a period to exercise Options or Performance Rights, subject to the relevant vesting conditions.

6 Dealing, vesting and exercise

(a) Dealing

Participants must not dispose of, grant (or purport to grant) any security interest in or over, or otherwise deal with (or purport to dispose or deal with) an Award unless:

- (i) it is in compliance with the terms of the Share offer and any Share vesting conditions;
- (ii) in respect of Options and Performance Rights, the prior consent of the Board is obtained (which consent may impose such terms and conditions on such assignment, transfer, novation, encumbrance or disposal as the Board sees fit in its sole and absolute discretion) or such assignment or transfer occurs by force of law upon the death of a Participant to the Participant's legal personal representative.

While the Shares are subject to any restrictions, the Board may do such things it considers necessary and appropriate to enforce the restrictions, including but not limited to imposing a holding lock on the Shares during the relevant restriction period.

(b) Vesting

Awards only vest if the applicable vesting conditions are satisfied, waived by the Board or are deemed to have been satisfied under the Plan. The vesting conditions are determined prior to the granting of such Awards by the Company.

(c) Exercise

Vested Options and Performance Rights can only be exercised during the exercise period specified in the invitation to participate in the Plan.

The exercise price per Share in respect of an Option or Performance Right granted pursuant to the Plan will be determined by the Board. Upon exercise, one Share in the Company will be issued to the Participant for each exercised Option or converted Performance Right.

Options and Performance Rights will expire on the date that is two years after the date of issue, or such other period determined by the Board or the Plan.

7 Lapse of Awards

If a Participant resigns (other than in circumstances of redundancy, mental illness, total and permanent disability, terminal illness or death), is dismissed from office for cause or poor performance, or in another circumstance determined by the Board:

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse;
- (c) vested Options and Performance Rights that have not been exercised will lapse on the date of cessation of employment or office,

unless the Board determines different treatment is warranted (subject to compliance with the Listing Rules and the Corporations Act).

If a Participant's employment or engagement with a Group Company ceases in any other circumstances, unless the Board determines different treatment is warranted (subject to compliance with the Listing Rules and the Corporations Act):

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse; and
- (c) vested Options and Performance Rights that have not been exercised will continue in force and remain exercisable, until the last exercise date determined by the Board or the Plan.

8 Forfeiture of Shares

Unvested Shares will be forfeited on the earlier of:

- (a) the Board determining any applicable vesting condition has not been, or is not capable of being, satisfied, reached or met;
- (b) the Shares being forfeited under the Plan provisions dealing with cessation of employment, change of control, breach, fraud or misconduct; or
- (c) unless the Board determines otherwise, the Participant purporting to deal with the Shares in breach of the vesting conditions and the Plan or enter into an arrangement to affect their economic exposure to unvested Shares where restricted by applicable law.

The Company must:

- (a) sell forfeited Shares in the ordinary course of trading on ASX;
- (b) buy back and cancel the forfeited Shares; or
- (c) deal with the forfeited Shares in any other manner determined by the Board from time to time.

No consideration or compensation is payable to a Participant for or in relation to the forfeiture of Shares under the Plan.

9 Breach, fraud or misconduct

If the Board determines that a Participant has:

- (a) been dismissed or removed where a Group Company was entitled to do so without notice;
- (b) been indicted for an offence under the Corporations Act;
- (c) had civil judgement entered against them;
- (d) committed fraud, defalcation or gross misconduct; or
- (e) materially breaches their duties or obligations,

in connection with a Group Company, or has done an act which brings a Group Company into disrepute, the Board may determine that:

- (a) unvested Shares will be forfeited;
- (b) unvested Options and Performance Rights will lapse.

10 Change of control events

On the occurrence of a change of control event (as defined in the Plan, which includes an unconditional takeover offer, a court approved scheme of arrangement, a merger resulting in the current Shareholders being entitled to 50% or less of the shares of the merged entity, a Group Company agreeing to sell a majority of its business or assets or a determination of the Board that control of the Company has or is likely to change), the Board may in its sole and absolute discretion determine how unvested Awards will be treated, including but not limited to:

- (a) determining that all or a portion of unvested Awards will vest; and/or
- (b) reducing or waiving vesting conditions.

11 Amendments to terms of exercise or the Plan

The Board may vary the terms of exercise of Options or Performance Rights, and may reduce or waive vesting conditions. However, no variation to the terms of exercise of an Option or Performance Right will be made without the consent of the Participant if it would have a material prejudicial effect on them, unless introduced primarily to comply with the law, to correct manifest error or to enable regulatory compliance.

The Board may amend the terms of the Plan, provided that rights or entitlements granted before the amendment shall not be reduced or adversely affected without the prior written approval of the affected Participant.
